

IQAC cluster India Webinar on "Assessment and Accreditation: A Revised Accreditation Framework for Affiliated Colleges"

STAY HOME, STAY UPDATED.

Guidelines

Dear fellow participants,

We are happy that you all have enthusiastically participated in this webinar. To conduct this webinar very smoothly, here are some of the guidelines of this webinar, which we request you to follow.

1. All the participants are requested to download the Zoom application, if not downloaded yet.
2. All the participants will be provided with the Meeting Id and Password before 30 mins prior to the webinar on the particular day through email.
3. Please connect to the zoom application at 2:00 PM. When you join after entering the Meeting Id and Password, you will enter in the waiting room. Once the Host will permit you, everybody will be allowed to enter in this webinar. Late entries would not be entertained.
4. Please mute your audio as you join the webinar and turn off your video after joining the webinar. You would be able to see the speaker and their presentation.
5. Everyone is requested to maintain social distancing. Please maintain discipline and do not chat unnecessarily in between while using the zoom application for the webinar. If found doing such kind of mischief then you would be removed from the webinar by the host.
6. After completion of the webinar we would take a few random questions from the participants. In order to ask the question, the participant has to raise the thumb from the zoom application. For the rest of the questions we have a feedback form wherein you all are requested to give the feedback after each webinar and there you can write down your questions, which will be answered by that particular speaker.
7. Attendance is a must for everyone. Participation certificates would be given only if the participant has attended 80% lectures in the whole webinar.
8. All the talks during this webinar will be recorded and posted on the cluster website, so that the other enthusiasts who were not able to register for this webinar may get benefited.

Note:- In case, If any problem related to the attendance or anything else arises then the final decision will be of the organisers.

With thanks,

Organising team,

IQAC Cluster India and Whitecode.
