Action Taken Report

➤ **Action Taken on Student feedback:**

Feedback is taken from the students on curriculum and thoroughly analysed by the concerned team. After going through the suggestions given by the students on regular curriculum we realized that there is a need to add some recent changes and trends in the respective subjects especially subjects like Corporate Accounting, Taxation and Marketing Management. Accordingly, we at department level considered this issue seriously and tried to incorporate the suggestions given by the students in the form additions and deletions of subject contents at the time of revising the syllabus for UG and PG programmes.

➤ **Action Taken on Teacher feedback:**

Feedback is also taken from the respective subject teachers' and the members of Board of Studies on regular curriculum and thoroughly analysed by the concerned team. After going through the suggestions given by the teachers and the members of BOS on regular curriculum we realized that some topics need alteration. Even we also realized that some topics should be removed from the curriculum as they were not suitable for that particular class. Accordingly, we at department level tried to incorporate the suggestions given by the teachers and BOS members in the form additions and deletions topics and contents at the time of revising the curriculum for UG and PG programmes.

➤ **Action Taken on Alumni feedback:**

We also took feedback from the departmental alumnus to enrich the UG and PG curriculum. The collected feedback is analysed and the suggestions given by the alumnus regarding study materials, additions tally in the curriculum, industrial visits for practical exposure, etc. are considered at the time revising the curriculum for UG and PG programmes. The valuable suggestions given by the alumnus helped a lot to enrich the curriculum.

➤ **Action Taken on Employer's feedback:**

As per the feedback given by the employers on curriculum we tried to give more practical exposure to the students from the contents of the curriculum. Even the employers asked to focus on the employability and skills oriented curriculum. Accordingly, we at department level tried our level best to add employability skills and other required skills in the regular curriculum such as Soft Skills, Communication Skills, Hands on Training, Laboratory practicals, etc. which make students to grab employment opportunities in various sectors.

Action Taken Report on Curriculum 2020-2021

➤ **Action Taken on Student feedback:**

As per the feedback the students gave on the curriculum, we lack some learning resources to explain some literary texts, so we have started using ICT provision to explain novels and dramas. In addition, we have given them assignments (written and oral) to develop their analytical and logical thinking for literature.

➤ **Action Taken on Teacher feedback:**

As per the feedback the BOS members gave on the curriculum, we need some resources and scope for our faculty. So, our department made available all the possible resources like journals, reference books and other essential study material for the faculty.

➤ **Action Taken on Alumni feedback:**

As per the feedback given by the alumni on the curriculum, there is less availability of the study materials, so we have provided different study materials to the students in the form of notes, books, reference books, research papers, case studies and YouTube videos. In addition, we concentrated more on tests and practicals and made our evaluation system effective.

➤ **Action Taken on Employer's feedback:**

As per the feedback given by the employer on the curriculum, we tried to provide more practical and applicable knowledge to the students from our syllabus, which helps them to get a job in the industry. Therefore, we made our syllabus as per the requirements of the industry and markets.
