Item No. 7 –

Any other item with permission of the Chairman

01. Dr.Yogendra Dixit said that if proper planning is done to balance the water storage (Dam) and drainage in the rainy season (like flood), then launching, ‘Scientific & social water management’ or similar courses at certificate level in the college would be beneficial to tackle situations like flood. The suggestion has been approved.
02. Mr.Prashant Raut suggested that the students would benefit from starting vocational courses like solar dried food products in our vocational center.
03. Prof.Manohar Jadhav suggested that students will get benefited through interaction of Sanskrit & other languages. Some advertisements in Sanskrit under Sanskrit course be given to students for practice.

The Principal Dr.Chandrashekhar Murumkar welcomed all suggestions and said that the committee would discuss the matter with the concerned authorities and take positive action in this regard.

As there were no further issues on the table, the vote of thanks proposed by Dr.Ajit Telve. With prior permission of the Chairman Dr.Chandrashekhar Murumkar meeting was concluded by Vande Ma``taram.
