UGC, New Delhi and RUSA, HRD Ministry has conferred us autonomous status from Dec. 2018.

ABOUT THE ROLE OF IQAC

The IQAC, the heart of every institution, looks after the realization of goals of quality enhancement and sustenance. Its prime intention is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. Its primary aim is to promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

ROLE OF UGC 'Paramarsh'

One of the greatest challenges to India's growth trajectory for the next century is the quality of education imparted to the next generation by our Higher Education Institutions. University Grants Commission has dedicated itself to the pursuit of excellence with a specific focus on quality as enshrined in the UGC "Quality Mandate The Paramarsh scheme is expected to have a major impact in addressing a national challenge of improving the quality of Higher Education in India. This will target 1000 Higher Education institutions for mentoring with a specific focus on quality as enumerated in the UGC Quality Mandate.

The Objectives of the Paramarsh Scheme are:

- Accreditation of non-accredited institutions by 2022
- Every institution shall get NAAC accredited
- Improve the overall quality of higher education's institutions.
- Quality education to 3.6 cr students

TWO DAY ONLINE WORKSHOP ON DESIGNING OF MULTIPLE-CHOICE QUESTIONS

EVENT REPORT

Date : 22/05/2021

Introduction:

During the era of online education during Covid-19 Pandemic, Multiple Choice Questions based assessment has become a new norm for the Higher Education Sector. Online MCQ based assessment has a number of advantages over the traditional descriptive method. It is simple, clear, objective, quick to generate results and it is environment friendly too. However, the faculties in Higher Education are not quite used to with the MCQ Based evaluation. Even if MCQs could be helpful in many ways, it is equally important to design the question in such a way so that the complete understanding of the subject knowledge and its application to real life situation gets tested. Regarding this, The Anekant Education Society's, Tuljaram Chaturchand College of Arts., Science and Commerce ,Baramati (Autonomous Institute) , Accredited by NAAC with "A+" Grade, Under the Auspices of UGC PARAMARSH SCHEME decided to hold a **Two Day Workshop on "Designing of Multiple-Choice Questions"**. The organisation of the Workshop was guided by Dr. Chandrashekhar V. Murumkar, Principal, TC College, Dr. Prakash G Mehar, Coordinator, UGC Paramarsh Scheme and Dr. Yogini Mulay, IQAC Cordinator and Vice Principal.

Resource Person:

After much deliberation it was decided that Dr. Rajendra Laxman Devpurkar. Former Head – Department of Microbiology, SPPU and Emeritus Scientist, SPPU who is an authority on conducting such workshops would be invited as Resource Person. Accordingly, he was invited and he agreed to be the resource person on both days of the Workshop.

Event Mode, Dates and Timings:

After the approval of the resource person the dates were decided for the event. The entire event was to be conducted on **Google Meet**. It was also decided to record the Google Meet proceedings. It was decided that the workshop will be conducted on **18th and 19th May, 2021**. The timings of the workshop were **3.00 PM to 6.00 PM**.

Registrations:

A **Unique PDF Webcard** was designed for the event having links for Registration and Google Meet. The registration links were primarily shared in the college staff and colleges which are attached to our college through UGC Paramarsh Scheme. The college received a 267 registrations from the faculty members of our college, UGC Paramarsh affiliated college and other colleges in Maharashtra and India till 9am of 18th May 2021. Before the commencement of the event, the **Final Tally of Registrations reached to 302**.

We had received a good amount of registrations than it was actually expected at the time of the planning. Due to this everyone associated with the planning was curious about the success of the actual event.

Conduct of the event:

The maverick resource person, Dr. Rajendra Deopurkar sir engaged the audience on both the days.

Day 1- 18th May, 2021

On day one, Dr. Deopurkar took the participants through the theoretical foundations of Multiple Choice Questions. His insights into the intricacies of Designing of MCQs, types of MCQs, using various types of combinations of MCQs and many other things. His style of reaching out to the audiences impressed everyone. He proved to be a classical teacher and all the participants learned and enjoyed the session. The session was highly successful and well received.

The video links and chat details of the Day 1 session are given below.

Day 2 19th 2021

On day 2, Dr. Deopurkar dealt with the application part of the workshop. On the previous day, i.e. on 18th May, 2021 he had given as assignment to the participants to design the MCQs based on their respective subject and send the samples on his mail id. The second day was devoted to analysing the experience of Designing of MCQs based on the learning of the previous day. This was a pretty joyful session as it was interspersed with a number of funny anecdotes and classical examples on how to and how not to design MCQs. This session was also highly successful and the positive responses from the participants showed that they had learnt a lot many new things about Designing of MCQs and second session gave them the confidence to use these techniques while designing the MCQs of their subject.

TO PROMOTE QUALITY IN HIGHER EDUCATION

1) Introduction:

One of the greatest challenges to India's growth trajectory for the next century is the quality of education imparted to the next generation by our Higher Education Institutions. University Grants Commission has dedicated itself to the pursuit of excellence with a specific focus on quality as enshrined in the UGC "Quality Mandate". After due deliberation and consultation, the UGC has approved the objectives set for improving the overall quality of Higher Education Institutions.

The Paramarsh **scheme** is expected to have a major impact in addressing a national challenge of improving the quality of Higher Education in India. This will target 1000 Higher Education Institutions for mentoring with a specific focus on quality as enumerated in the UGC Quality Mandate.

2) Objectives:

- To enhance the overall quality of the Mentee institutions and mentoring the Non-Accredited Higher Education Institutions to enable them to get accredited.
- The Scheme will operate through the IQAC of Tuljaram Chaturchand College of Arts, Science and Commerce and IQAC of the mentoring colleges.
- Hub can also be conceived as a pool of experts from multiple resources. External members can also be solicited from the industry and can be used as a resource pool. They can make a ground assessment and can have a clear action plan for mentoring.
- Tuljaram Chaturchand College of Baramati has taken initiative of bringing colleges together for the purpose of cooperation, promotion and networking of IQAC's of respective colleges to standardize policies, procedures and collectively work out the areas for better academics and administration.

3) Mentoring colleges shall facilitate the following:
