## A Course in Effective Communication in English & Personality Development

A value added course from **Tuljaram Chaturchand College of Arts, Science and Commerce (Autonomous), Baramati** as a first of its kind collaboration with Cambridge University Press & Assessment – **Equip & Upskill**.

**Equip** is a book that helps learners with language skills & grammar. This book is a one-stop attempt to provide undergraduate learners with all the tools required to communicate efficiently. Modules covered include - Grammar and Usage, Listening & Speaking along with Reading & Writing. Equip adopts a task-based approach - a number of tasks have been provided as part of each unit to encourage extensive practice in all the four skills along with grammar.
