

STUDENT SATISFACTION SURVEY POLICY

- Students are informed about the importance of Student Satisfaction Survey in the Induction Programme conducted for each faculty by the college.

- Survey for the previous year is conducted around the end of the first semester each year.

- The Student Satisfaction Survey form (Google Form) is circulated in student groups using whatsapp groups, mass messaging system and emails.

- Entire survey is conducted online without wasting even a piece of paper

- The findings of the survey are discussed and finalised by the committee

- The findings of the Survey are discussed in IQAC meeting and a plan of action about implementation of the relevant suggestion received from the survey is discussed.

- The suggestions and interpretations from the findings are circulated to the departments and all departments are instructed to implement the suggestions.

- College makes necessary improvements in the physical infrastructure and services as suggested by the SSS Report and IQAC recommendations

- Findings of the survey are posted on the College Website and reported to NAAC as part of AQAR Submission.
