

**Anekant Education Society's  
Tuljaram Chaturchand College, Baramati**

*Autonomous*

**Department of Economics**

One Year Degree Program in  
Economics

Faculty of Mental Moral & Social Science

**Revised Syllabus for**

**B.Com. Third Year Semester – V**

**To Be Implemented From Academic Year 2021-2022**

**Academic Year 2021-2022**

**Subject: Economics**

**Class: T.Y.B.COM**

**Year: III**

**(Semester-V)**

**Title of Paper: International Economics- I**

**Paper Code: COMIE3503**

**Credit: 03**

**Lectures: 48**

**A) Learning Objectives :**

1. To study the theories of International Trade.
2. To highlight the trends and challenges faced by nations in a challenging global environment.
3. To enlighten international financial terms.
4. To analyze current issues related to international economics.

**B) Learning Outcome:**

**1. Understanding of International Trade Theories:**

Gain a deep understanding of classical and modern theories of international trade, including comparative advantage, factor proportions theory, and new trade theories.

**2. Trade Policy Analysis:**

Develop the ability to analyze and evaluate trade policies, including tariffs, quotas, and other trade restrictions, and their impact on domestic and global economies.

**1. Balance of Payments and Exchange Rates:**

Understand the mechanics of the balance of payments and exchange rates, including how these factors affect international trade and capital flows.

**2. Globalization and Multinational Corporations:**

Explore the role of multinational corporations in the global economy and the impact of globalization on economic development, income distribution, and cultural exchange.
