Internal Quality Assurance Cell (IQAC)

Annual Report: 2019-20

During the academic year 2019–20, the Internal Quality Assurance Cell (IQAC) of Tuljaram Chaturchand College, Baramati undertook several key initiatives to enhance academic quality, institutional performance, and student development. The college took progressive steps toward the implementation of academic autonomy and introduced new academic programs and skill-based courses to meet evolving educational and industry requirements. A variety of workshops and seminars were organized focusing on skill development, communication, soft skills, and technology integration. Notably, an in-house software system was developed to promote digital administration and learning. The institution also emphasized research by promoting research-oriented activities and establishing an Entrepreneurship Development (ED) Cell in collaboration with the Ministry of Human Resource Development, Government of India.

To ensure quality in higher education, several NAAC-aligned activities were undertaken. Best practices such as green initiatives and women empowerment were further enriched through targeted programs. A total of 16 workshops were conducted during the year, covering topics such as Python programming, blockchain technology, DNA barcoding, mobile application development, radio programming, and script writing, with over 1,300 students benefiting. Some of the most well-attended sessions included the Sutra Sanchalan workshop (250 participants), a workshop on entrepreneurship development (89 participants), and a NET/SET coaching program (160 participants).

In addition, various seminars and expert lectures were organized on subjects like robotics, financial literacy, retail floor management, and competitive exam preparation. Special sessions were held to commemorate Dr. Narendra Dabholkar, promoting scientific temper and social awareness. The faculty also participated in development programs focused on online e-content creation and leadership skills. More than 20 sports and cultural events were successfully conducted to support the overall development of students. The IQAC has identified key thrust areas for research at the college, including Agriculture, Environment, Health, and Energy, to promote and strengthen quality research activities. Through these initiatives, IQAC reaffirmed its commitment to sustaining quality, innovation, and inclusivity in higher education.
