Internal Quality Assurance Cell (IQAC)

Annual Report: 2020-21

During the academic year 2020–21, the Internal Quality Assurance Cell (IQAC) of Tuljaram Chaturchand College, Baramati continued to drive excellence in academic, infrastructural, and co-curricular domains through a series of innovative and developmental initiatives. The college introduced new courses and enhanced the teaching-learning process with a focus on strengthening pedagogy and fostering innovation. A significant milestone was the establishment of an Innovation and Incubation Cell, and the institution's registration under the Ministry of Education's Innovation Council, Government of India. The college upgraded its library infrastructure and subscribed to G-Suite and its ecosystem products, thereby promoting the use of ICT in the learning process. The institution also developed in-house software to streamline internal operations and enhance efficiency.

IQAC emphasized student development by organizing several capacity-building activities, especially in soft skills, communication, and technology awareness. A total of 11 workshops were conducted on diverse themes such as ASP.NET, LaTeX, Android Programming, Artificial Intelligence, WordPress, Import-Export Management, and Entrepreneurship in food processing. Over 900 students benefited from these workshops, with topics designed to equip them with hands-on technical skills and entrepreneurial insights. Additionally, national and international webinars played a crucial role in knowledge dissemination. Topics covered included Data Science, Democracy in India, Post-COVID Global Order, Emerging Technologies, and Security Challenges. Notably, the international webinar on "Crisis of Security Challenges" saw participation from over 1,500 attendees, while webinars on democracy and global systems drew 1,263 and 1,385 participants respectively.

To enhance faculty capabilities, several Faculty Development Programmes (FDPs) were held, including a one-week FDP on revised NAAC guidelines, a collaborative FDP with Baha'i Academy Panchgani, and another aimed at administrative staff development. The institution also maintained its commitment to best practices and NAAC-aligned quality initiatives. Furthermore, co-curricular and sports activities were promoted as part of inculcating a strong value system among students. The IQAC has identified key thrust areas for research at the college, including Agriculture, Environment, Health, and Energy, to promote and strengthen quality research activities. Through these holistic efforts, IQAC reinforced its mission of promoting quality education, fostering innovation, and contributing meaningfully to national development.

IQAC Annual Report 2020-21

Sr. No.	Quality initiative	Details
1.	Introduced New Courses	512 new course introduced
2.	Strengthening of Teaching and Learning	<p>Tuljaram Chaturchand College of Arts, Science and Commerce, Baramati organized Two Day online workshop on Course Outcome, Programme Outcome and its mapping during 5 & 6 October, 2020. Total Participant 161</p> <p>Two day online workshop on “designing of multiple choice questions” 18/05/2021 to 19/05/2021 Total participant 302</p> <p>Introduced Booklet for Mentor and Mentee scheme</p> <p>T C College in collaboration with Bhai Academy organized “Interactive Faculty Development Program “for Teaching Faculty 23/02/2021 to 28/02/2021 .
