

## **Report of My Family My Responsibility**

**P.O., NSS (B-32),**

**Tuljaram Chaturchand College, Baramati.**

As per your circular no.NSS/2020/60, dated 21/09/20, NSS volunteers of our college follows the instructions given by the government such as use of mask, keep safe distance and use sanitiser or wash the hand with soap and water repeatedly. Along with this, unit of our college were conducted survey under the heading of ' **My Family My Responsibility**' during 15/09-25/10/20. Under this programme our college NSS P.O. s appeal to volunteers to go their home village Grampanchayat, request to corresponding officers or Asha worker to help for the survey.

Under the survey, our volunteers goes to every home and collect the information of each family under the headings of- age, oxygen level with help of oxymeter, temprature, ask for their B.P., sugar or any other problems and also ask about their symptoms such as temprature, cold, cough etc related to symptoms of COVID- 19. if any member from family have one or two symptoms of COVID-19, they requested go to for further checkiung to cofirm as they have COVID-19 or not. The collected data is submitted to the corresponding officcers. For this work nearly 80 volunteers survey nearly 2000 families corresponding their home villeges.
