## About the College

Tuljaram Chaturchand College of Arts, Science & Commerce, Baramati, was established in 1962 under the visionary leadership of Anekant Education Society, Baramati. The institution has grown into a distinguished centre of higher education in Maharashtra and functions as an empowered autonomous college affiliated to Savitribai Phule Pune University, Pune.

The college has achieved the prestigious NAAC A++ Grade with a CGPA of 3.51 in the Fourth Accreditation Cycle, reflecting excellence in teaching-learning processes, research and innovation, governance, infrastructure, and student support services. The institution has also been recognised as a College with Potential for Excellence by the University Grants Commission (UGC).

The college has received academic and research support under DST-FIST and DBT Star College Scheme, strengthening its research infrastructure and innovation ecosystem. With a learner-centric approach, emphasis on research culture, skill development, and community engagement, the college continues to contribute significantly to academic excellence and socio-economic development.

## About the Department of Commerce

The Department of Commerce, established in 1962, is one of the oldest and most reputed departments of Tuljaram Chaturchand College, Baramati. The department offers a wide spectrum of programmes including B.Com, M.Com, B.Voc in Retail Management and E-Commerce, and Ph.D. research guidance, catering to the academic and professional aspirations of students.

The department actively promotes research orientation, industry interaction, entrepreneurship development, and skill enhancement through curriculum enrichment and co-curricular activities. It regularly organizes national conferences, seminars, workshops, guest lectures, faculty development programmes, and student enrichment activities, thereby creating a vibrant academic environment.

With experienced faculty members and modern pedagogical practices, the Department of Commerce plays a pivotal role in preparing students for careers in commerce, finance, management, and research.

## About the Conference

The National Online Conference on “Contemporary Issues and Emerging Challenges in Commerce and Management” aims to provide a common academic platform for academicians, professionals, and students to deliberate on contemporary issues, emerging challenges, and future perspectives in the fields of commerce and management.

The conference is purely discussion-oriented and academic in nature.

This conference does not include research paper publication.
