WORLD COCONUT DAY

World Coconut Day 2024 is celebrated on September 2nd each year to recognize the importance of coconuts in our lives. This day highlights the many benefits of coconuts, from their use in cooking to their role in various industries. The celebration is to raise awareness about the nutritional value and economic significance of coconuts. It also honours the farmers and producers who work hard to bring this versatile fruit to our tables. To acknowledge the crucial role of coconuts in global health and agriculture, department of Botany organized one day workshop on “Value Addition in Coconut” on 2nd September 2023 in association with Entrepreneurship Development Cell of the college. The resource person Dr. Ganesh Khadke delivered online lecture on various business opportunities in coconut product and demonstrated Virgin coconut oil preparation. On this occasion, Coconut product exhibition and quiz competition was conducted for the students. Total 48 students took part in the workshop and competitions. The head of the department of Botany Dr. Bhagwan Mali and all the teachers of Botany department contributed in making the event a huge success.

Resource person Dr. Ganesh Khadke, Horticulture Scientist, ICAR, Ananad, Gujrat
