TO WHOM IT MAY CONCERN

Dear Rohit Ambadas Gaikwad,

Congratulations! We're excited to offer you the Software/Application Development intern position at Khoji Labs, Pune. Your enthusiasm for technology and your potential to thrive in our environment stood out among other applicants.

As an intern, you'll have the opportunity to dive into various projects alongside our development team. Under the guidance of your Team Lead, you'll gain hands-on experience in software/application development while strictly adhering to our company's compliance and governance policies.

Your internship with us is scheduled from 22nd Jan 2024 to 28th June 2024. We believe this experience will be invaluable to your growth and development in the field.

Looking forward to your positive response and dedication.

Sincerely,

P G Mondal
