Subject: – Reporting of Activities conducted under National Science Day Celebration by BBA(C.A) department on 28 Feb, 2022.

Respected Sir,

On 28th February, 2022, on the occasion of National Science day BBA (Computer Application) department has conducted 4 Activities as Project Exhibition, PPT presentation, Poster Presentation and the Gmail Account opening Campaign for the Students.

The objective to take Project Exhibition was to provide insights about how Students can develop the projects as Applications or websites using the current technologies in IT. Students developed their projects using different technologies like Java, PHP, HTML, CSS, Machine Learning modules using python as Face detection, mask detection Screen brightness Controller, Heart disease Predication, Document Scanner. Students also developed Web Portals for Sri Ram Agro Agency, Tej Classes, KK Mart, SK Photo Studio, and Covid Learning.

Total 22 students from SY and TY were participated in project presentation.

The theme for PPT presentation is “Digital Literacy: A Step towards Smart Civilization”.

9 students were participated in this Activity. The concept of this PPT presentation was students can create awareness about digital literacy among the society. The topics of presentation were creating literacy about-

- Online free certification courses- to get knowledge about different current trends in each stream
- how to use Grammerly App- to checks your grammar, spelling, plagiarism, and more in real-time on a number of different platforms

- How to use google Pay- for cashless transections
- Network Security- how to protect your data in online, how to be alert when using free Wi-Fi connection
- use of Google Maps- to find routes
- Health care App-Ayurhythm App to assesses your Ayurvedic health parameters

Participants were took these topics and created literacy among the peoples in their own family members also members in the society and friends.

In Poster presentation Activity total 21 students were participated and they prepared posters on the Recent Trends in IT. The area covered by the posters are Network Security, Machine Learning, Artificial Intelligence, Cloud Computing, Digital Marketing,

In Gmail account opening Campaign 5 students were participated and they helped to those students who have yet not Gmail Account. Also one Student from SY told how to use Google Drive to store our important documents. It was helpful to access our important documents from remote location without carrying any external device.

Total 58 students were participated in the Science Day activity from FY, SY and TY BBA(C.A).

Activities were coordinated by Faculty with the support of the HOD, IQAC Coordinator, and Principal. Students were enthusiastically taken part in National Science Day Celebration.

Thanking you,
