**Subject:** Action Taken Report on Academic Audit Report (2022-23) for BBA Department

Respected Sir,

I am writing to inform you about the recent Academic Audit Report that was conducted for the BBA Department. The report revealed that the BBA Department received an overall score of **73 marks** and a **B+ grade**. Additionally, the report included some valuable suggestions from the Academic Audit Expert Committee.

The committee suggested that the BBA Department should focus on increasing research activities, book publication activities, and consultancy in the form of corporate training. These suggestions are aimed at enhancing the quality of education and academic excellence within the department.

In response to the suggestions provided by the committee, I would like to outline the following action steps that have been taken:

**1. Research Activities:** The BBA Department will work towards fostering a research-oriented environment by encouraging faculty members and students to engage in research projects and collaborate with industry partners. This will not only enhance the academic reputation of the department but also contribute to the overall growth and development of the students.

**2. Book Publication Activities:** The department will support faculty members in publishing academic research papers and books in reputed journals and publications. This will help in disseminating knowledge and showcasing the expertise of the faculty members to a wider audience.

**3. Consultancy in the Form of Corporate Training:** The BBA Department will explore opportunities for providing consultancy services to corporate organizations through training programs and workshops. This will not only generate additional revenue for the department but also strengthen industry-academia linkages.

We assure you that the BBA Department is committed to implementing these suggestions and taking the necessary steps to enhance the academic quality and overall performance of the department. We will regularly monitor the progress of these initiatives and provide updates on the same.

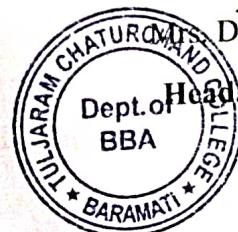

Thank you for your continued support and guidance in improving the academic standards of the BBA Department.

Yours sincerely,
