Subject: Report of "One day online workshop on Computational and Systems Biology under ED-cell.

Respected Sir,

With your kind permission and sanction, we have organized "One day online workshop on Computational and Systems Biology under ED-cell." on 10th of Nov. 2020. The workshop was based on use of e-training of computational biology emphasizing the fundamentals of nucleic acid and protein sequence and structural analysis for Botany students.

The programme was commenced by first guest lecture of Prof. U. D. Choudhary Head, Dept of computer Science, T.C. College, Baramati at 11.00 a.m. based on "Classification of Data"

In second session Dr. P. D. Patil, Department of Botany, Shankar Agarwal Science College, Slaekasa, Gondia delivered lecture on "Determining phylogenetic relationship using DNA and Protein Sequences.

The workshop was informative and total 164 students benefited from the workshop. We have also provided E certificates to all the participants on their Registered E mail ID. We are very much grateful to you for your kind permission and providing us the opportunity to arrange the same.

Kindly consider and oblige.

Thanking you.

Yours Faithfully,

Department of Botany

NOTICE

All the students of T.Y.B.Sc and M.Sc.-II Botany are hereby informed that one day online workshop on "**Computational and Systems Biology**" under ED-cell is organized on 11/10/2020. The details of programme are as below.

Sr. No.	Name of Speaker	Topic	Time
1	Prof. U. D. Choudhari	Classification of Data	11.00 a.m to 12.30. p.m.
2	Dr. P. D. Patil	"Determining phylogenetic relationship using DNA and Protein sequences"	1.00 p.m to 4.00. p.m.

Link for registration and Google meet will be shared on Whatsapp group on Monday.

Subject: Permission to arrange One day online workshop on "Computational and Systems Biology" under ED-cell.

Respected Sir,

We wish to organize one day online workshop on "Computational and Systems Biology" under ED-cell. Under this workshop we are going to organize online guest lectures and e-training of computational biology emphasizing the fundamentals of nucleic acid and protein sequence and structural analysis; it also includes an introduction to the analysis of complex biological systems. Topics covered in the course include principles and methods used for sequence alignment, structure prediction as well as currently emerging research areas.

This workshop will be useful to students in coming days to get the placement in related fields.

The details of workshop are as follows

Name of Department	P. G. Research Centre, Department of Botany
Name of Course	Computational and Systems Biology
Skill Type	Plant sequence alignment, structure prediction with help of Computer
Date and Duration	10/11/2020, 5.30 hours
Name of Co-ordinator	Dr. M. P. Patil
Students benefited	T.Y.B. Sc and M. Sc II Botany
Number of students	67

Request to give your permission for the same.

Financial assistance required: Rs.5500/-

Thanking You and oblige,

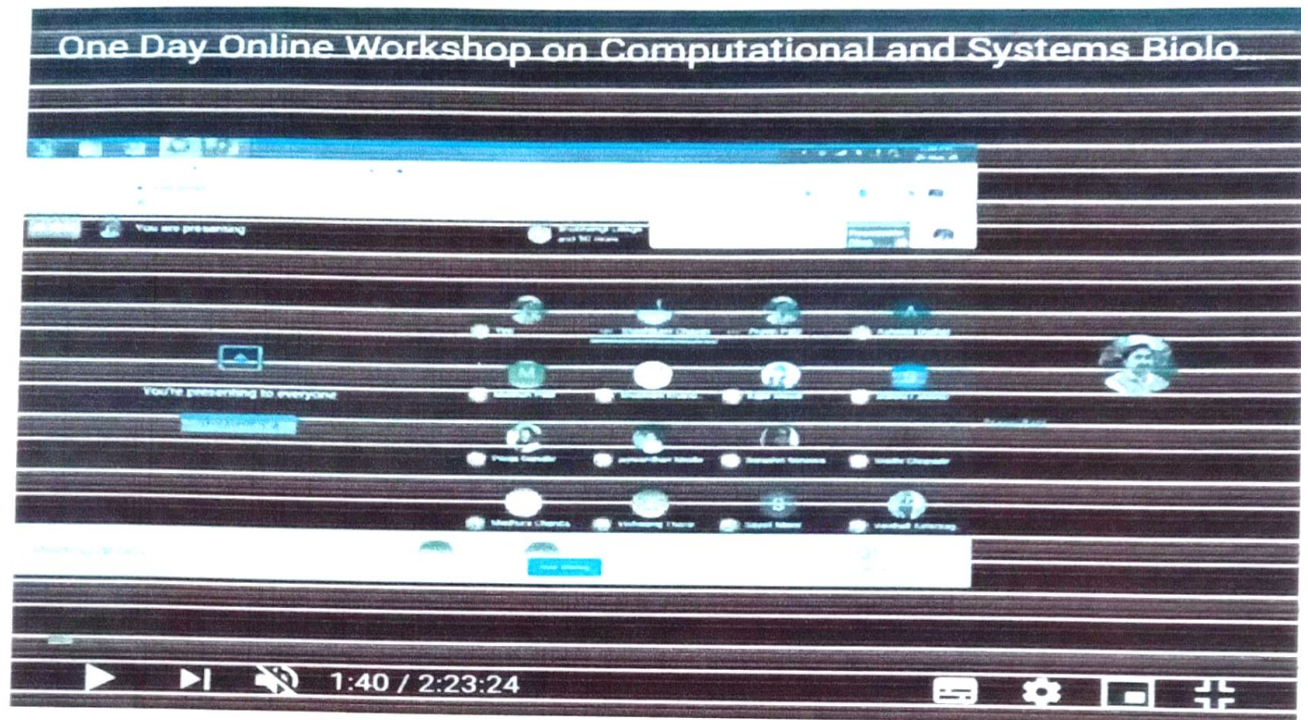

Yours Sincerely,
