Sub: Report of the guest lecture arranged on 11th February 2022.

Respected Sir,

With your prior permission, department of Zoology is celebrating Azadi Ka Amrit Mahotsav. As a part of this celebration, we are organizing a lecture series on various academic & social issues. As a part of this lecture series, we had organised a guest lecture of Dr. Yogesh Karpe, Scientist-D, Agharkar Research Institute, Pune.

The said lecture was held in online mode on Google Meet platform; on 11th February 2022. It was attended by 95 students from FYBSc, SYBSc, TYBSc, M.Sc-I & II classes of Zoology.

This lecture helped the students to increase their awareness about virology, vaccination and gained information about post-independence changes in these fields.

I am submitting this report for your perusal.

Thanking You,
