Sub: Report of two days online workshop on "Arduino" under ED cell.

Respected Sir,

With your kind permission and sanctioned we have successfully organized two days online workshop on "Arduino" under ED cell on 10th and 11th February 2022. The program formally began with an opening remark delivered by Dr. Aparna Pawar, organizing secretary of workshop followed by the welcome address delivered by Dr. Jagdish Deshpande, Vice-Principal & Head, Department of Electronics. He has highlighted the objectives of the workshop. The workshop was based on the embedded system design using Arduino, IoT and its skill oriented applications for T.Y. B.Sc & M. Sc. (Electronics) and S.Y. B.Sc (Computer Science) students.

On first day, Mr. Rahul Shimpi sir covered introduction of arduino and its software installation techniques as well as its programming through tinkercad IDE. He also gave introduction of different sensors.

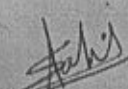

On second day, he took programming of sensor interfacing, IoT application and project based ideas.

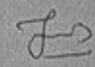

The workshop was informative and total 192 students benefited from the workshop. We have also provided e-certificate to all participants on their registered E-mail ID. We are very much grateful to you for your kind permission and providing us the opportunity to arrange the same.

Kindly consider and oblige.

Thanking you

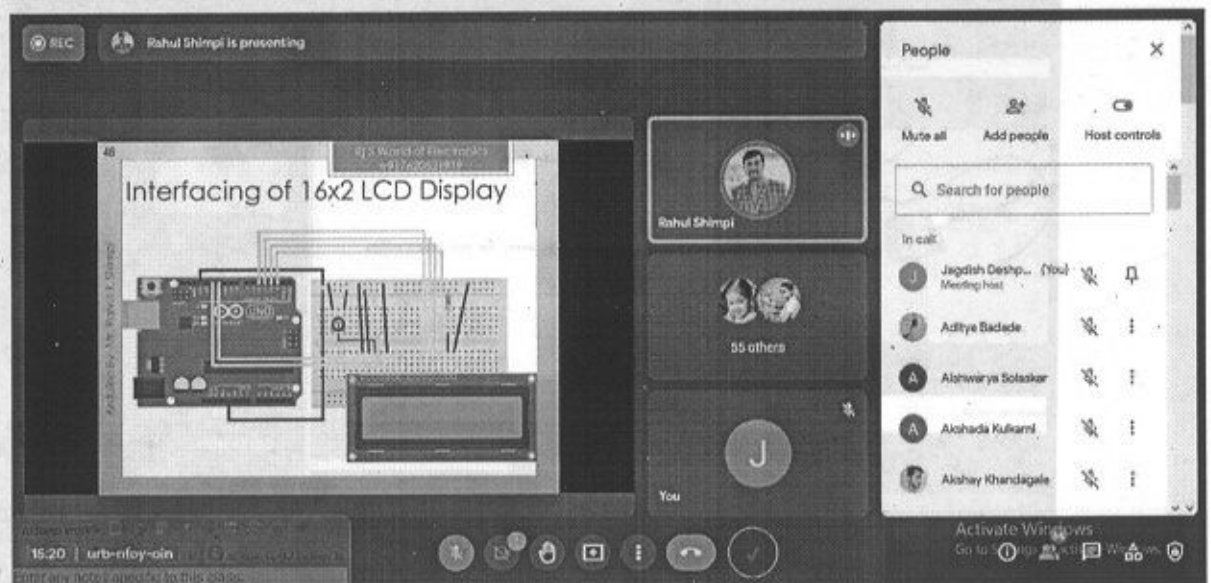

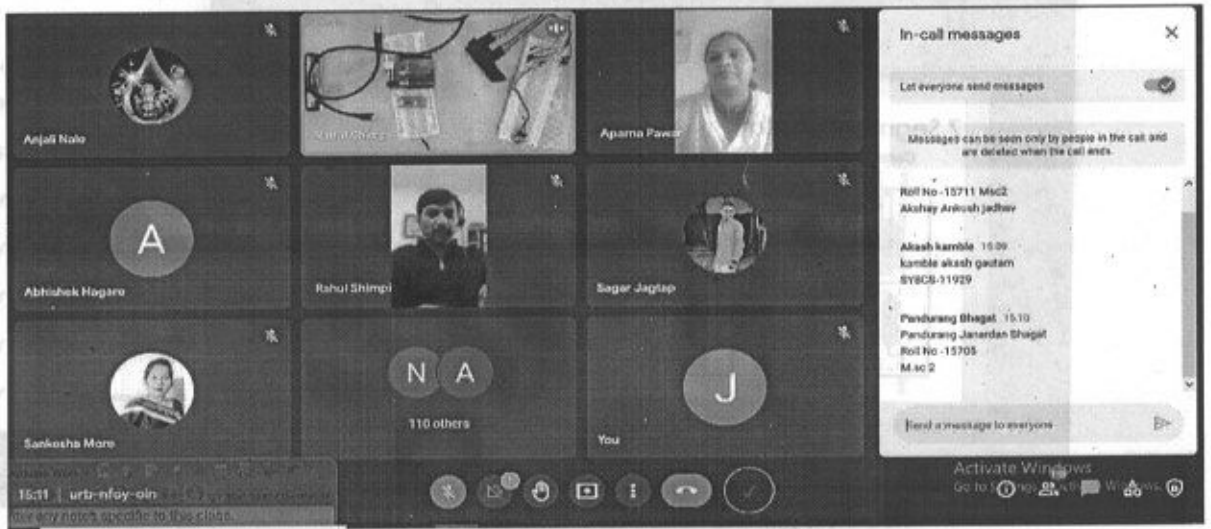

Yours faithfully

Dr. A. M. Pawar
