

Dr. S. B. Mishor, Head of Computer Science Dept. working since Sep 4, 2000, in Sandar Patel Mahavidyulaya, Chiandrapur, He is a Chairman of Computer Science Board, Gondwartz University, Gadchiroll, and a member of Academic Council Member. Or. Kinhol is working as a member of the Computer Science/Application board to Five NAAC A' and above Grade Universities and Autocomputer scilings. He is sharing his ideal attachment of the Head of IHLRSS (institute of Higher Learning, Research in Specialized Studies) in Computer Science in the college.

the Head of HLPGS (institute of Higher Learning, Research in Specialized Studies) in Computer Science in the college.

During Covid-2019, Dr. Kather has uphoaded more than 225 videos on Teaching, Asis and other Uniting videos for Studients. Faculty, Academician, and Researcher on his YouTute channel. More than 1.56 lath Viewers viewed his videos across 36 countries, 5c fac. 14 research scholars have been awarded a PH.D. under his guidance and 66 acholars have seen awarded 8 PH.D. under his published and 66 acholars have seen several 8 PHII. See has been coefficied with 54 Patents including Assimilar Patents. His has published 82 pagers in a regulated Journal including Scopus and published 57 papers in secretal Religions and International Conferences.

DC S S Kishor is a double PR.D. hadder in the Professional subjects that includes Computer Science and Management. Insurations 72 hooks, Many of his books are excluded as a Text Book and Reference book in various courses across the Universities and Autonomous colleges.

URC HRDC Accommediation and with re-edition, this figure goes to 121 books. Many of his books are excluded as a Text Book and Reference book in various courses across the Universities and Autonomous colleges.

URC HRDC Accommediation the books of Computer Special Research of the second Research Scholars and Faculty of Academics and Research of Texture and Texture and Texture Continues and Faculty of Research across the texture and Texture and Texture Academics and Research Scholars and Faculty of Research across the texture and Texture Academics and Research across the texture and Texture Academics and Research Indiana Research Indiana Research Indiana Research Academics and Research across the research of the Research across the research of the Research across the research Research across the research Research Texture Research Research across the research Research Texture Research Research Texture Research Texture Research Texture Research Texture Research Texture Research Texture Research Texture
