Subject: Visit Report to Guru Nanak College and D G Vaishnav College Chennai for
NAAC Preparation

Respected Sir,

I am writing to provide a comprehensive report on our visit to Guru Nanak College and D G Vaishnav College in Chennai on April 12, 2024. The visit was organized as part of our preparation for the upcoming NAAC assessment. Our team comprised Dr. Arun Magar, Dr. Sachin Kulkarni, Dr. Bhagawan Mali, and Mr. Sadashiv Puranik.

1. Guru Nanak College:

- Upon arrival, we were impressed by the robust security system in place, which efficiently logged visitor details.
- We were warmly welcomed by the IQAC coordinators and had the privilege of meeting the Principal, Dr. T.K. Avvai Kothai.
- Key observations:
 - The campus operates on a paperless system with mobile-based attendance tracking.
 - Emphasis on environmental sustainability with a plastic-free environment and green campus initiatives.
 - Noteworthy social initiatives including free daily meals for 500 students and support for migrant workers during the COVID-19 lockdown.
 - Collaborative programs with industries under the "Train the Trainers" initiative.
 - Effective online feedback mechanisms and alumni engagement activities.

2. D G Vaishnav College:

- Throughout our visit, Dr. S Narayanan, the IQAC coordinator, provided insightful explanations and demonstrated the college's operations.
- We had the honor of lunch with Principal Dr. S. Santhosh Baboo, who graciously shared valuable insights.
- Key observations:
 - Exceptional infrastructure across all departments with modern amenities.
 - Utilization of Learning Management Systems (LMS) for seamless administrative and academic processes.
 - Strategic partnerships with universities abroad for student exchange programs.
 - Strong emphasis on placements, scholarships, and exam integrity measures.
 - Innovative marketing strategies through quarterly newspapers for wider outreach.
 - Robust mentor-mentee programs and regular alumni engagement initiatives.

The enthusiasm and dedication witnessed at both colleges underscore why they received an A++ rating in their last NAAC cycle. Our visit has provided us with invaluable insights that we will leverage to enhance our own practices and prepare effectively for the upcoming assessment.

Regarding expenses, the college has covered airfare in advance. However, I have personally taken care of other expenses related to local travel, stay and food. I have incurred total expenditure of Rs. 17648/- for the local travel, stay and food at Chennai visit. The detail expenditure is attached with this report. I kindly request your approval for reimbursement.

Thank you for granting us this opportunity, which will undoubtedly benefit both our team and our institute.

Thank You

Sincerely,

Dr. Arun S. Magar
