(Autonomous)

And

Insta Vision Laboratory and Services
89, Raviwar Peth, Satara
Dist: Satara, Maharashtra, India

This Memorandum of Understanding (hereinafter referred to as MoU) is made on Thursday, 18th August 2022 between Department of Chemistry, Tuljaram Chaturchand College of Arts, Science and Commerce, Baramati, Dist. Pune, Maharashtra, India. ("Party No.1"), and 'Insta Vision Laboratory and Services , Satara Dist: Satara, Maharashtra, India. ("Party No. 2").

WHEREAS

Party No. 1:

Tuljaram Chaturchand College of Arts, Science and Commerce, Baramati ,Dist. Pune is one of the leading and prestigious colleges in Maharashtra established in 1962.Our motto 'We for students' is at the heart of everything we do at the college. The college celebrated its Golden Jubilee in 2012. Keeping space with modern trends in higher education, the college has full fledged UG courses in Arts, Science and Commerce along with PG courses almost in all subjects of different streams as well as Ph.D research centers. Beside traditional courses we seek to develop and introduce need based, value added, skill based and carrier oriented new courses.

However, the College has been reaccredited for the third cycle with 'A*' grade (CGPA 3.55) by NAAC, Bangalore in 2017.It has been awarded the status of ' College with Potential for Excellence' by UGC, and has been selected for STAR College scheme by DBT and DST-FIST scheme by DST, New Delhi. The college has received several awards from Savitribai Phule Pune University, Pune including Best College Award, Best Principal Award, Best Student Welfare Officer Award, Best NSS Coordinator Award, Best NSS Unit Award, Best NSS Volunteer Award and also the recipient of awards from the Maharashtra Government.

The Department of Chemistry, Tuljaram Chaturchand College of Arts, Science and Commerce, Baramati is established in the College in 1962, which offers Bachelor degree in Chemistry as well as Master

Satara

degrees in Inorganic Chemistry, Organic Chemistry and Analytical Chemistry. Department of Chemistry strives to strengthen its academics through teaching-learning, research and extension activities. It is an active centre for higher education and research that does always welcome collaboration with academic as well as Research Laboratories, Industrial and Scientific Enterprises of National and International stature. The Program involved in this MoU is actively engaged in various teaching-learning and research practices in various discipline of Chemistry domain.

Party No. 2:

Insta Vision Laboratory and Services, Satara Dist: Satara, Maharashtra, India is ISO 2009-2015 certified which is involved in various quality related services related to pharma and chemical industry. Dominantly involved in industry ready skillset development programs for freshers. Insta Vision is also dealing with training in various sections of pharmaceuticals according to major regulatory authorities like USFDA, TGA, WHO, MHRA etc. It gives training of all sophisticated instrumentation along with documentation as per Good Documentation practices, following requirements Data Integrity.

Insta Vision is having systems with 21 CFR 11 competent as per current requirements of pharma industry. In additional to that Insta Vision works on personality development, presentation skills and interview skills to make fresher eligible to withstand in front of corporate world.

Both the Parties would like to enter into this MoU for Industry Institute Interaction to declare their respective intentions and to establish a basis of cooperation and collaboration between the Parties upon the terms as contained herein.

--- 4 ---

1. AREAS OF CO-OPERATION

The Parties agree to carry out collaborative efforts in the following areas of:

- a) Research and Project work of students and faculties.
- b) Industrial training and sponsored projects for UG/ PG students.
- c) Joint organization of workshop and seminars on the topics of common interest.
- d) Guidance and cooperation to Training & Placement activities.
- e) Mutual cooperation in developmental work.
- f) Extending the help and mediation for any other collaboration in the educational and technology area on charge basis with mutual consent.
- g) Any other areas of co-operation as agreed to by the Parties from time to time.

2. FINANCIAL ARRANGEMENTS

This MoU shall not give any financial obligation to Department of Chemistry, Tuljaram Chaturchand College of Arts, Science and Commerce, Baramati unless it is agreed between the Parties and approved by both authorities.

There should not be cost and expenses involved for the implementation of this MoU.

3. CONFIDENTIALITY

Each Party shall undertake to observe the secrecy of confidential information received from or supplied to the other Party during the period of implementation of this MoU or other agreements made pursuant to this MoU.

For purposes of this MoU, "confidential information" means any information whether prior to or hereinafter disclosed by a Party (the Disclosing Party) to the other Party (the Receiving Party) of this MoU involving technical, business, marketing, policy, know-how, planning, project management and other information, data and/or solutions in any form, including but not limited to any information which is designated in writing to be confidential or by its nature intended to be for the knowledge of the Receiving Party or if orally given, is given in the circumstances of confidence.

Both Parties agree that the provisions of this clause shall continue to be binding between the Parties notwithstanding the termination of this MoU.

[Signature]

4. SETTLEMENT OF DISPUTES

Any difference or dispute between the Parties concerning the interpretation and/or implementation and/or application of any of the provisions of this MoU shall first be settled amicably through mutual consultation and/or negotiations between the Parties.

5. NON CONTRACTUAL NATURE OF RELATIONSHIP

Parties agree that this MoU represents the mutual understanding of the Parties and is not intended nor shall be deemed to be a contract and shall not give rise to any rights and liabilities under a contract.

Nothing contained herein shall be construed so as to constitute a joint venture partnership or formal business organization of any kind between the Parties or so to constitute either Party as the agent of the other.

The Parties acknowledge that this MoU does not in any way give rise to any right or permission to use or to be associated with each Party's intellectual property.

6. REVISION, VARIATION AND AMENDMENT

Either Party may request in writing a revision, variation or amendment of this MoU. Any such revision, variation or amendment agreed to by the Parties shall be in writing and shall form part of this MoU. Such revision, variation or amendment shall come into force on such date as may be determined by the Parties.

Any revision, variation or amendment shall not prejudice the implementation of any project, activity or co-operation arising from or based on this MoU before or up to the date of such revision, variation or amendment.

7. SUPERVENING EVENTS

7.1. Each Party reserves the right for reasons of national security, national interests, public order or public health to suspend temporarily, either in whole in part, the implementation of this MoU which suspension shall take effect immediately after notification has been given to the other Party.

7.2. Notwithstanding sub-clause 8.1, should any other event occur which hinders or restricts the implementation of this MoU, the Parties shall use their best endeavour to agree upon such action, as may be necessary and equitable, to remove the cause of such event.

And--

Shardabai Pawar Institute of Pharmaceutical Sciences and Research, Baramati, Dist. Pune

The year 2019, was a landmark year for Baramati, since, it saw the establishment of the Shardabai Pawar Institute of Pharmaceutical Sciences and Research, by ADT's Trust, Baramati. It was established by renowned personality with perfect vision of Hon. Rajendra (Dada) Pawar, Chairman of ADT's Trust. Who is unique in sharing the responsibility in overall development of ADT's Institutions. We believe in lifelong learning & training leading to benefits of society. Scale up to the greater heights of excellence in the years to come. Our vision is impacting society through globally competent technologists with the primary objective to provide quality education promote industry relevant projects, R & D and consultancy to raise the overall standard as well as to bridge the gap between academics & industry requirements.

-----Herein after referred as SPIPSR

It is mutually agreed between SPIPSR and T. C. College that,

From SPIPSR to T. C. College

This MoU is to bridge the gap between the industry and the academia and enrich young talent pool from T. C. College by enhancing their technical competencies to match the industry requirements.

1. Mentoring and training for faculties and students with minimal charges.
2. Involvement of interested students and faculties of T. C. College in various research activities.
3. Logistic and infrastructure arrangements for all the activities conducted by SPIPSR, Baramati, at T. C. College premises for their Students and Faculties.
4. Providing internship opportunities to selected students and alumni of T. C. College within SPIPSR or SPIPSR's partner companies/institutions as per availability.
5. Offering capacity building Trainings to T. C. College faculties as per need.
6. Research activity with departments through CIAR.

From T. C. College to SPIPSR

1. Providing projects and guidance to students on projects related to real life problems of farmers and stakeholders in India and abroad.
2. Support in kind of Laboratory, working space and instrumental analysis for Experimentation and Research on least charges as prescribed by T.C. College on case-to-case basis.
3. Provide support in the fields of Science and Technology concerned to research and innovations done by SPIPSR or it's incubatees /partners as and when needed in the form of knowledge.
4. To promote SPIPSR on institutional and non-institutional platforms related to Research and Innovations in chemistry through CIAR.

Financial Support

1. There will be not any financial burden involved for both the parties.
2. Individual or group of students and or faculty willing to get incubated in SPIPSR will be liable to pay the service charges to SPIPSR as per the Incubation Agreement of SPIPSR signed by that particular individual or group of students and / or faculty during the time of admittance in SPIPSR.
3. Every party involved is liable to pay all the outstanding bills/amount to the other party in case of end or breach of the contract prior to the final end or breach of this contract.
4. All the fees, expenses and charges mentioned above will be decided on case-to-case basis and agreed mutually by both the parties.

Tenure and Contract:

1. This contract is valid for **3 Years** from the effective date of MOU.
2. Any party can breach this contract with a prior notice of 1(one) month to the other party.
