Subject: Hands on training program on Advance Python course under RUSA.

Dear sir,

We want to take a hands-on training program on the Advance Python course for M.Sc. Mathematics students under the grant of RUSA. The program will be of 40 hours and it will be taken by the experts of Aspiring Careers, Pune. This training will give students advanced knowledge about Python programming that is directly used in companies. We will conduct this program from 3 October to 8 October 2022.

The fee for the program is 3000 Rs. /- per student. We need to provide a computer lab with 40 computers, accommodation and food facility for the expert. The total budget for the program is near about 1,30,000/- Rs. The details about the Aspiring Careers proposal and session plan for the course are attached with the letter.

I request you permit the program under the grant of RUSA.

Thank you.

Yours faithfully

S. Puranik

About Us:

Welcome to **Aspiring Careers, Pune** where we believe "Every individual can become successful provided he/she will get right training, right environment & right opportunities.

Aspiring Careers LLP is proficient in Technology Training, English Language, and soft skills Trainings. Our field of experience covers Training for school and college students.

We impart skills-based training to students focusing on increasing employability through inputs to equip them with appropriate hands-on skills which helps them to be job- ready. We have a unique training quality and monitoring system.

We are recipient of **Emerging Company 2021 in Skills Development & Nation Building** an award by Indian Achievers Forum, Delhi. We are also authorized training center for **NSDC & Skills India**.

To be successful & leading a great career the Skills of English Language is going to play a vital role.

Employability:

Aptitude + Domain Skills (Hard Skills) + Soft Skills = Employability.

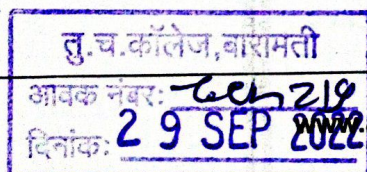

Various surveys are shown that 85% graduates are unemployable. Mainly they are lacking in the skills like English language skills, communication skills, presentation skills etc.

"It is not unemployment, which is a major problem: it is the question of 'unemployability', which is the bigger crisis" Dr. A.P.J. Abdul Kalam

Why Aspiring Careers:

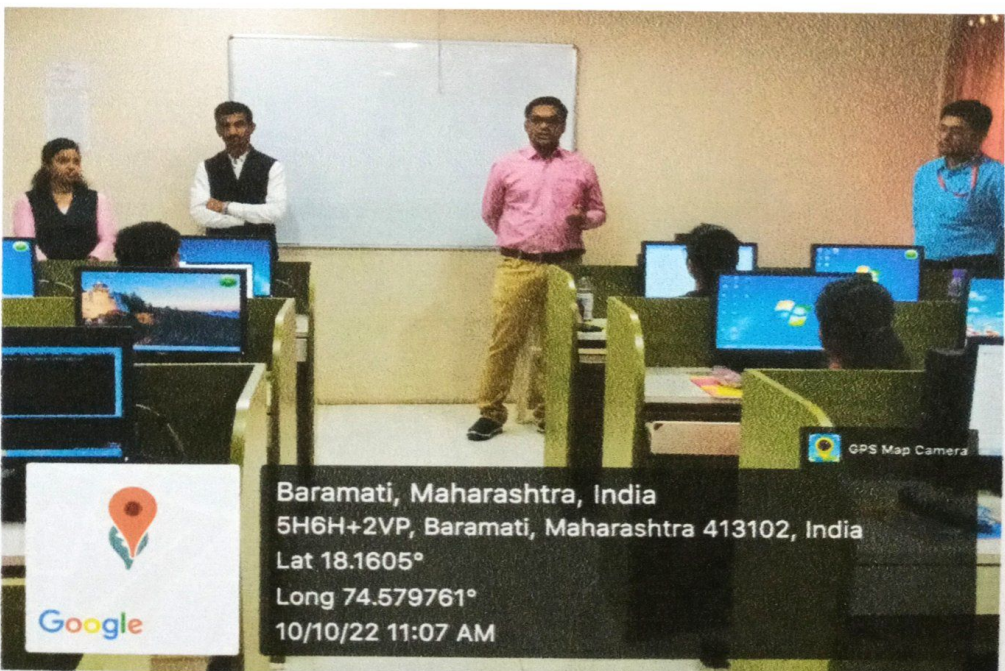

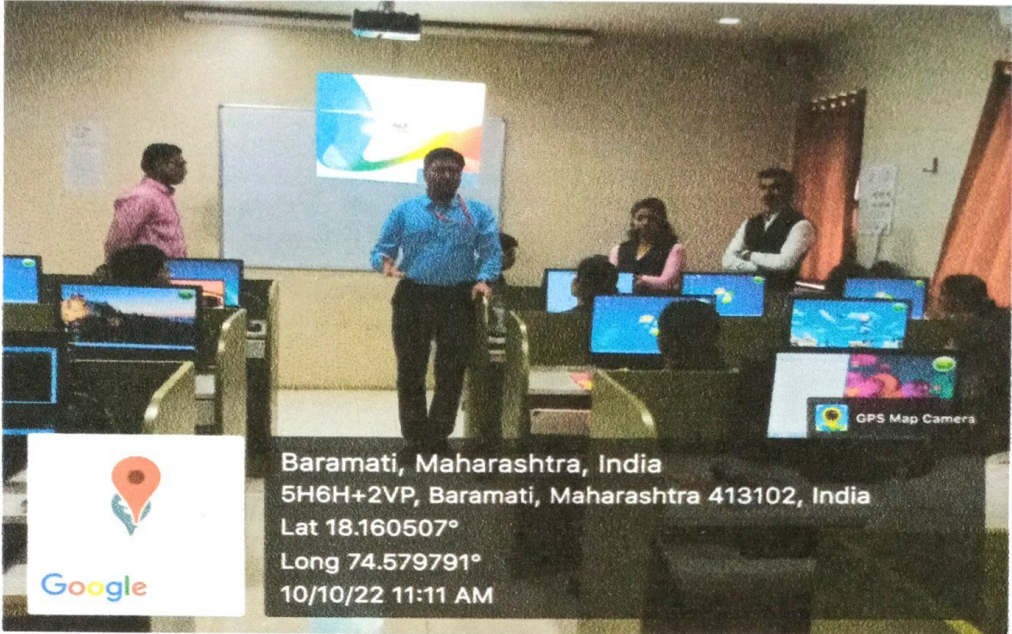

- Expertise in English language, Soft Skills, Aptitude & Technology training
- Unique training quality
- Pool of trainers
- Industry Oriented training modules
- Experiential training methodology
- Conducted Technology training in 50+ Colleges (Online / Offline)

Subject: Report of the "One Week Hands-On training of Advance Python".

Dear Sir,

We have completed a "One Week Hands-On training program of Advance Python" for M.Sc (Mathematics) students' under the grant of RUSA of our college. The program was held from 10th October to 15th October 2022.

The resource person for the training program was Mr Anirudha Gaikwad, Trainer and Software Developer, Aspiring Careers LLP, Pune. He gave perfect training in the computer lab on Advance Python. A total of 40 hours of training is given to all students. Topics from regular expressions, databases, and networking are covered.

This program is taken under the grant of RUSA. The fee for the program is 3000 Rs./- per student. 40 students of the M.Sc. Mathematics course participated in this training program. I request you to sanction the amount of 1,22,000 Rs./- (1,20,000/-fees + 2000/- coordinator remuneration) under the grant.

Students interacted with the resource persons; in their feedback, they told us about their satisfaction with the content and appreciated the importance of the training program. This activity initiated and paved the way for them to become successful entrepreneurs in the future. I request you to take note of this activity.

Thank you very much for your guidance and support.
