Mr. Sandeep Taware gave detailed knowledge on framing, the need of meaningful concepts and the use of aesthetics to grab the attention of the audience. Narrating a story through photographs is not easy unless you have technical as well as aesthetic knowledge with quick decision making sense.

This workshop was very useful to students to understand the process of photography and aesthetics for different creative productions.. Total 50 students were present for the workshop. Principal Dr, Chandrashekar Murumkar sir inaugurated the photography exhibition. Head of the Department, Asst. Prof. Rahul Chaudhari coordinated the workshop. We are very thankful to Dr. Chandrashekhar Murumkar, Principal, for giving such a great opportunity to conduct this workshop.
