Subject: – Reporting of Extension Activities conducted “Two Days Python For Beginners Workshop” by BBA(C.A) department on 08 Feb, 2023 to 09 Feb,2023.

Respected Sir,

BBA (Computer Application) department has conducted Extension Activity “Two Days Python for Beginners Workshop” for the academic year 2022-23. For this activity we selected the students of our college studying in PG Course M.Sc(Physics) Part-I & II.

The objective of this workshop is to percolate programming awareness in PG students using Python programming language.

The theme of workshop is to provide hands on training to the students. On first day students learned

- Introduction of Python Language,
- Data Types,
- Variables,
- Selection / Control statement,
- Looping statements.
- With practical implementation.

Whereas on second day participants learned various Python data types provided for various scientific applications.

String, List, Tuple, Dictionary and Set with practical implementation.

Activities were coordinated by Prof.Patil S.P.(HOD) & Prof.Arade D.S.with the support of Faculty, T.Y.BBA(C.A.) students Rutuja Atul Gidde & Swapnali Anil Kapase, IQAC Coordinator, and Principal.

Total 22 students from M.Sc.(Physics) successfully completed twodays' workshop.
Thanking you,

Yours Faithfully,

H.O.D. BBA(C.A) Dept.
