

Report on "Hands On Training On Bioinoculant Production"

Student Level Workshop

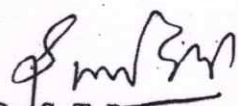

We have organized One day workshop entitle "Hands On Training On Bioinoculant Production" during 20th March 2023.

This workshop was organized by Department of Microbiology, Tuljaram Chaturchand College under - RUSA.

The objective of the workshop was to impart hands on training on the skills associated with bioinoculant production. To exploit the microbial diversity in various agro-ecologies for bioinoculant application in diversified systems.

Participants were T.Y.B.Sc and M.Sc-I students from Department of Microbiology. Total 40 participants were benefited by this workshop.

As an outcome of this workshop participants have gained knowledge with respect to operation of fermenter and large scale production of bioinoculant, manufacturing of bioinoculant in capsule and powder form , application of bioinoculant on actual field. Overall the workshop was very thought provoking and useful for students to improve their knowledge and skills on bioinoculant production

Dr. S.-T. Pawar
Head
Department of Microbiology

14th March, 2023
Department of Microbiology

To,
The Principal,
Tuljaram Chaturchand College of Arts, Science and Commerce,
Baramati.

Sub: -Permission to organize One Day workshop entitled Workshop on "Hands on training on bioinoculant production" under RUSA.

Respected Sir,

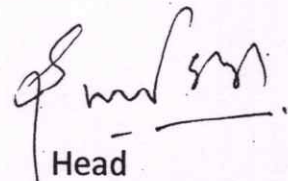

We would like to organize a One Day Workshop entitled "Hands on training on bioinoculant production" under RUSA dated on 20th March 2023, Offline mode for T.Y.B.Sc Microbiology students.

Detailed programme is attached here with. Remuneration and TA/DA expenses will be borne from RUSA.

So, I request you to kindly allow us for the same.

Thanking you

Allowed
24.3.
