**Report of World Environment Day 2022**

On June 5, 2022, Department of Physical Education celebrated World Environment Day with great enthusiasm and commitment to environmental awareness. Prin. Dr. Chandrashekhar Murumkar had president of this event.

In this event 48 students from Physical Education and NSS department planting various types of trees around the college campus. Dr. Chandrashekhar Murumkar delivered an insightful keynote address emphasizing the urgency of ecosystem restoration in the face of growing environmental challenges. His speech inspired students to take proactive measures in their daily lives to protect and preserve the environment for future generations.

The workshops encouraged active participation, allowing students to discuss and brainstorm innovative solutions to address these challenges. The World Environment Day celebration at Tuljaram Chaturchand College was a resounding success, fostering a sense of responsibility and environmental stewardship among the students. The event concluded with a renewed commitment from both faculty and students to integrate sustainable practices into their daily lives, ensuring a greener and healthier future for all.
