Subject: Report on one day workshop on English for Competitive Examination

The one-day workshop on English for Competitive Examinations took place at the Auditorium Hall of the Administrative Building. Two distinguished speakers from Pune, Professors Ashok Avantkar and Samadhan Kokate, were invited as resource persons for the workshop. They eloquently emphasized the significance of English proficiency in competitive examinations. Additionally, they provided students with sample questions extracted from previous exams, offering them first-hand exposure to the types of questions typically encountered in such assessments.

Approximately 80 students participated in the workshop, expressing high satisfaction with the experience. The primary objective of the workshop was to familiarize students with the English syllabus relevant to competitive examinations.

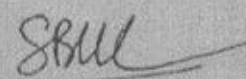

The workshop fostered interaction between speakers and students, ensuring that participants received comprehensive guidance for exam preparation. To facilitate this, the trainers encouraged discussions and welcomed feedback, queries, and suggestions from the attendees.

The success of the program was greatly attributed to the contributions of all faculty members involved. We extend our sincere gratitude to Principal Dr. Avinash Jagtap and the college administration for their invaluable support and guidance throughout the event.

Thanking you,

Yours faithfully
