6.	Funded by: College/University etc.	College
7.	Number of Beneficiaries	51

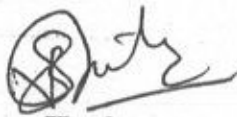

Detail information of the programme/activity:

On the 8th of January 2024, a one-day workshop on IQ and Psychometric Assessment was organised by the Department of Psychology under ED cell for the students. Dr. Uma Dalvi and Ms. Shrenika Hatarote, Clinical Psychologist, Laksh Psychological Institute, Pune were the resource persons for this workshop. Overall, 51 students from F.Y. B.A. to M.A. II year and 5 faculty members were participated. The workshop started with an inaugural session and was inaugurated by the Vice Principal Dr. Sachin Gadekar. The workshop convener Dr. Shinde V. B., Head of the Department of Psychology delivered the welcome address of the inaugural session. He stated that the Workshop on IQ and Psychometric Assessment aimed to provide participants with comprehensive insights into intelligence quotient (IQ) testing and the broader field of psychometric assessment. It was followed by felicitation of the guests; inaugural speech by the Vice-Principal Dr. Gadekar; and Vote of Thanks by Dr. Awate J. N., Assistant Professor, Dept. of Psychology.

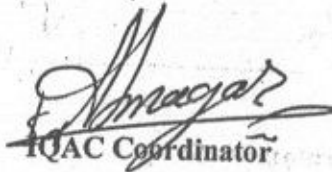

The workshop was divided into 6 sessions. The first three sessions were held before lunch. First session was conducted by Dr. Uma Dalvi. She introduced key concepts of Psychometry.

The second and third session was conducted by Ms. Shrenika Hatarote who explained use of psychometry in clinical setting and use of rating scale in psychological assessments. Both the sessions also included multi-media resources to better elucidate the topic.

Two hands-on sessions were conducted after the lunch upon the knowledge and concepts learnt from the previous sessions. The two sessions were conducted by Dr. Uma Dalvi who was assisted by Ms. Shrenika Hatarote. The participants self-administered one psychological rating scale and also scored and interpreted that score. The last session was the discussion through the question-answer. These discussions focused on ethical considerations, cultural sensitivity, and the evolving landscape of psychometric assessments. The key concepts were introduced from the absolute basics as this workshop was designed to cater to participants with basic skill level in psychometric assessment. The students showed keen interest in the workshop and have gained a hands-on experience in the topics of psychometric assessment. This workshop was a good learning experience for the participants. They had the opportunity to familiarize themselves to IQ and Psychometric Assessment. The workshop coordinator Dr. Dhame G. M. concluded the program with vote of thanks.

Dear Sir,

Subject: Proposal for IQ & Psychometric Assessment Training for PG Psychology Students
IQ : WISC IV (Training I)
Psychometric : Rorschach Ink Blot Test (Training II)

I am writing to propose the implementation of a comprehensive psychological assessment training program for psychology students at Tuljaram Chaturchand College of Arts Science and Commerce. This training will equip students with essential skills and knowledge necessary for effective psychological assessment, contributing to their academic and professional development.

Objective:

The primary objective of this proposal is to establish a structured psychological assessment training program to meet the following goals:

- Enhance students' understanding of various psychological assessment tools and techniques.
- Provide Knowledge in administering, scoring, and interpreting psychological assessments.
- Prepare students for future careers in clinical psychology, counselling, research, and related fields.

Benefits:

By offering psychological assessment training, we can provide several benefits to the psychology students, including:

- A competitive edge in the job market with practical skills and experience.
- Improved readiness for graduate programs in psychology or related fields.
- Enhanced academic and professional development.
- Increased prestige and attractiveness of the psychology program at your esteemed college.
