Respected Sir,

We celebrate Teachers day every year throughout the country on 5th September. Students express their gratitude and appreciation for their teachers on this day. A celebration conducted at our department by our students on 6th September. On this occasion there were total 25 students' presents. Students felicitated to head of the department and other departmental staff. Students organised some interesting games for teachers. On this occasion some students took lectures as a replacement of teachers. We request you to take note of these activities. Thank you so much sir for your guidance and support.
