

International Webinar Report

Department of chemistry

Date 01/03/2021

To,
The Principal,

Tuljaram Chaturchand College, Baramati.

Subject: Report of Two Days International webinar on "Research trends and opportunities in Chemistry"

Respected Sir,

With your prior permission, Two Days International webinar on "Research trends and opportunities in Chemistry" was conducted online through YouTube Live on 15th and 16th February, 2021. This webinar was attended by 157 participants from various colleges, institutes and institutes across the world.

Day one of the webinar was started with college documentary, Dr. Bhondwe welcomed all the distinguished guests and the participants. Principal and convener Dr. C.V. Murumkar addressed the participants followed by presentation of our first speaker Dr. Harichandra Tagad, Scientist, NIH, USA. His presentation was mainly focused on research trends and opportunities in medicinal chemistry and substrate based design of Wip 1 Inhibitors. Second speaker was Dr. Ramesh Dateer, Assistant Professor, Jain University, Bangalore. Dr. Dateer enlightened the participants with recent trends in nano catalysis and applications in organic synthesis. Ms. K.M. Rupnawar and Ms. G.S. Bhunje introduced the guests.

Second day was again started with edifying college documentary. Ms. S.P. Nale and G.D. Pirale introduced Dr. Ajay Kumar Srivastava and Dr. Vinayak Kale from CDRI Lucknow, Dr. Ajay Kumar Srivastava from CDRI Lucknow nicely explained the process and steps involved in drug discovery. Subsequently Dr. Vinayak Kale, from KAUST, Saudi Arabia, elucidated the recent research and development in nanotechnology especially on the energy storage devices. Prof. Sanjay kale, Head and organizing secretary, concluded the event. Dr. R.S. Bhondwe proposed the vote of thanks.

We hope that this will help our students and faculty members for in their curriculum and career.

This report is for your kind information.

Thanking You

Dr. R.S. Bhondwe

Subject: Details of schedule of two days International webinar on "Research Trends and Opportunities in Chemistry"

Respected Sir,

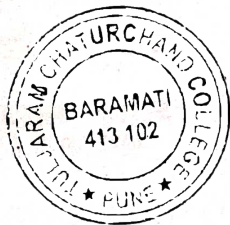

With your prior permission our Chemistry department is going to organize Two days international webinar on "Research Trends and Opportunities in Chemistry" on 15th to 16th February 2021. For the same, the details are as follows:

Schedule:	Attached separately
Convener:	Dr. C. V. Murumkar
Organizing Secretary:	Prof. S. R. Kale
Coordinator:	Dr. R.S. Bhondwe
Technical Support:	Faculty from Department of Computer Science

Please give us permission for the schedule and other details.

With best Regards,

Thanking You

Permission to organize three days webinar on "Trends in Chemistry (TC-2021)" by our
Chemistry Department.

Respected Sir,

Our Chemistry Department is going to organize three days webinar on "Trends in Chemistry (TC-2021)" probably in first week of February 2021. For the same, the target audience is PG chemistry students and Chemistry faculties. This webinar will be focus on discussion and presentation of the recent research and applications of chemical science. The probable schedule is two online lectures (1.30 per day). We are in process of finalizing the schedule and topics from our recourse persons from academic as well as industry arena.

The tentative expenditure for the same is around Rs. 50,000/-. Out of this, the expenditure for honorarium of recourse persons is Rs. 36,000/- ($6000 \times 6 = 36000/-$) and remaining is for honorarium of webinar coordinator, infrastructure and technical support.

Please give us permission to organize this webinar entitled "Trends in Chemistry (TC-2021)". Also allow us to expenditure for the same.

With best Regards,
