Subject : About organizing a Online Training Program on 'Application of Computer Vision with Python.' Under ED Cell.

R/Sir,

Computer Vision is an emerging field in Artificial Intelligence (AI). Computer Vision is one of the subset of Machine Learning. However, computer vision can be considered as a direct subset of AI. This training program will develop the skills which help the students to gain strong foundation in Image Processing techniques. It will also give us a hands-on experience in Computer Vision and Image processing using python.

With this vision, under the ED Cell, Department of Computer Science willing to organize a two days Online Training program with above mentioned subject for T.Y.B.Sc.(CS) Students, M.Sc.(CS) Students purpose. For this training program , we invite a industry resource person Mr. Akhilesh V. Kakade from Bangaluru. He is working in a reputed IT Company on the concerned subject. The schedule of the program is as follows:

Dates : Sat. 12 Dec. 2020 and Sun. 13 Dec. 2020 (2 hours /day)

Time: 10 am to 12 noon

So kindly allow to organize such training program under the ED Cell and remuneration as per our policy.
