Case Study 2: Tree Plantation

The **Tree Plantation Drive** organized by your college from **2020 to 2024**, involving NCC, NSS, and various departments, aimed at contributing to environmental conservation and promoting ecological awareness. This initiative reflected the college's commitment to community service and sustainability.

- In **2020-21**, **42 NCC cadets** participated in a plantation drive during **PAKHAWADA**, planting **42 trees** of various species.
- The **Department of Economics** organized a drive in **Aasu village, Phaltan Tehsil**, where **50 students** planted and watered **100 tamarind trees**.
- In **2021-22**, **24 NSS volunteers** conducted a plantation at **Anjagaon**, within the college campus.
- In **2023-24**, **20 NSS volunteers** planted **200 trees** at **Jalgaon, Baramati**, contributing significantly to the environment.
- The **Department of BBA** also conducted a drive in **2023-24**, with **16 students** planting **20 saplings** of various species, including neem, mango, and coconut, in Baramati.

The campaign highlighted the importance of collective action in addressing environmental challenges and promoting a culture of sustainability.

Subject: About Organizing One day Tree Plantation Drive in Aasu Village (Tal: Phaltan Dist: Satara).

Respected Sir,

If we look at the condition of our earth today, with resources getting depleted, forests being cut, seas being dumped with garbage, litter being thrown on the streets and parks, and water being wasted, we would understand how important has environmental awareness become. Environmental awareness is significant for several other reasons as well.

Considering the success of Tree Plantation Drive in last year that we conducted in the village wherein we planted 100 tamarind trees, the Aasu Grampanchayat has requested that we should plant another 100 tamarind trees in the village this year too. The Gram Panchayat has assured that it will make utmost efforts so that all the planted seedlings will survive. It is heartening to note that all the 100 saplings of tamarind that we planted last year, have now taken good roots and have become small trees.

Principal

Tree Plantation Drive (TPD)

Considering the need of environment protection, the students and faculty members of the Department of Economics of Tuljaram Chaturchand College decided to embark a tree plantation drive with arange Workshop. For this tree plantation drive, this year (2020-21) Aasu village in Phaltan Tehsil was selected. Aasu is a historical village situated on the banks of Nira River. This village was chosen due to the 100 Tamarind seedlings planted last year were completely 100% preserved, co-operation and willingness expressed by the Gram Panchayat functionaries. **The Preliminary work:** This initiative was led by Dr. Jotiram Ghadage. He convinced the students to participate in this annual activity of the department. Students hailing from Aasu village, namely, Mr. Mahesh Kamble, Mr. Atul Sonawane, Mr. Vikas Sonawane, Mr. Tejas Phalke assured about the help of the Gram Panchayat in this regard. Dr. Ghadage was also encouraged by the guidance he received from our Principal Dr. Chandrashekhar Murumkar Sir. **Role of Sarpanch and other dignitaries of Gram Panchayat of Aasu:** The Sarpanch of the Village Mr. Mahadeo Sakunde, Up-Sarpanch Mr. Dhanajay Ghorpade and other elected members of the Gram Panchayat, Police Patil, President of the Tanta Mukti Abhiyan, Gramsevak and other Social Workers wholeheartedly welcomed the organization of this drive. They assured that a land of around 1 acre would be made available for the Tree Plantation Drive for which the Gram Panchayat cleared the thorny offshoots from the area reserved for *Gay-ran* or Grazing Land. The Gram Panchayat also assured us that they will provide logistics support such as tractor, water tank and other tools required for this drive. A total number of 50 people participated in this programme and donated their labour for this social cause. The college sponsored the breakfast and snacks for all the participants. **Actual Tree Plantation on 17 January, 2021:** *A total number of 50 participants including 11 students, 4 faculty members and 35 villagers participated in the tree plantation drive which began at 8 a.m.* In all 100 tamarind trees were planted and watered. The faculty members reached the spot at 6.30 in the morning and did the necessary arrangements with the help of Gram Panchayat Functionaries. The students, villagers and faculty members departed the venue with a new energy and with a new mission of undertaking more such initiatives in the future.

Report on Tree plantation Activity

Date: 12-10-2021

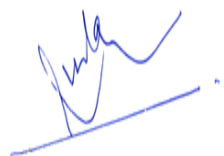

The National Service Scheme (NSS) organized a tree plantation drive aimed at contributing to environmental conservation and promoting ecological awareness. This initiative aligns with NSS's commitment to community service and sustainability. **Totao 24 NSS Volunteers were present in the activity.** The event took place at, Anjagaon, College Campus where volunteers worked together to plant a significant number of trees. In August, a day of green revaluation, volunteers of NSS actively participated in plantations of every year 60 different types of trees at (Baramati) Anjagoan. The tree plantation drive organized by the NSS was a successful initiative that made a positive impact on the environment and the community. It highlighted the importance of collective action in addressing environmental challenges and promoted a culture of sustainability and ecological stewardship.

Detail information of the programme/activity:

A group of 6 students from our college visited the Baramati to participate in a tree plantation drive. Our mission was to spread awareness about the importance of environmental conservation and to contribute to the greening of the city. We planted 20 saplings of various species, including neem, mango, and coconut trees. The students were enthusiastic and actively involved in the process, learning about the benefits of tree plantation and its impact on the environment. The local authorities and bus stand staff were also present to support our initiative. We hope that our small effort will make a positive difference in the environment and inspire others to follow our lead.
