Subjects: - Report on Internships Conducted Under MoU with Fusion Infinity Solutions, Baramati.

Respected sir,

BBA Department signed a Memorandum of Understanding (MoU) with Fusion Infinity Solutions, Baramati, in 2022. Since then, BBA students have been actively participating in internships under this collaboration. These internships have provided valuable industry exposure and practical learning opportunities for the students,

The internships were conducted as per the agreed terms of the MoU, which focuses on enhancing students' professional skills in areas such as management, business operations, and technology. Internships were typically 2-3 months in duration, during which students worked on various projects aligned with their academic focus.

The students reported a positive learning experience, highlighting the mentorship provided by industry professionals at Fusion Infinity Solutions. This practical exposure has significantly enhanced their understanding of business operations. The company expressed satisfaction with the performance of the interns, noting their enthusiasm and willingness to learn.
