Dear MISS. SHAIKH RAFIYA IRFAN,

3WD Software is pleased to offer you an educational internship opportunity as a trainee Software Engineer intern. You will report directly to Mr. Rizwan Khot. This position is located in Baramati, Maharashtra. As you will be receiving academic credit for this position, you will not be paid. Additionally, students do not receive benefits as part of their internship program.

For this position, your major duties will include designing new Java / android application, and installation and customization of this software. He may be asked to contribute to reports outlining the feasibility and cost-benefit analysis of new software. He will be taught how to budget and schedule a new software design. He will most likely be asked to participate in the testing of the software. Your Schedule will be approximately 20 hours per week beginning 11/12/2019.

Term and Conditions

As you send acceptance letter you are agree for below term and conditions

- 1) You bounded to 3WD Software for 1 year (6 month internship & 6 month of job)
- 2) To continue you on payroll and your package after completing internship is complete decision of company depends on your performance.
- 3) Because of any reason you want to break this period before completing an year you have to pay 15000/- (Fifteen Thousand only) to 3WD Software

Please review, sign and return via mail to confirm acceptance, no later than close of

Business on 15/10/2019.

Congratulations and welcome to the team!

Thanks & Regards,

Abhijit Patil
