Report on Online FDP in association with ICT Academy

Respected Sir,

Our college has signed an MoU with ICT Academy, under which a Faculty Development Program (FDP) titled "Strengthening Teaching, Learning, and Evaluation Process" was conducted from 10th October 2022 to 14th October 2022 for our faculty members.

A total of **68 faculty members** participated in this FDP and gained valuable insights into innovative teaching methodologies, effective student engagement techniques, and modern assessment strategies. The sessions focused on enhancing pedagogical skills, integrating technology into teaching, and improving evaluation methods to ensure better learning outcomes.

The resource person for this FDP was **Mr. Rajendra Dixit**, a **certified faculty from ICT Academy**, who provided in-depth knowledge and practical approaches to improving the teaching-learning process. Faculty members found the sessions highly beneficial, as they could implement these strategies in their classrooms to enhance student understanding and academic performance.

This FDP has significantly contributed to the professional development of our faculty by equipping them with the latest trends in education, thus fostering a more effective and interactive learning environment.

Participants List and certificate sample is attached here.
