DEPARTMENT PROFILE

The department of Psychology was established in 1972 in response to the growing needs of specialized education and research in psychology. It was established with a vision to become a leading center for academic excellence, research innovation collaboration in the field. Since its inception, the department has initiated undergraduate, postgraduate programs catering to the diverse needs of students interested in Psychology. These programs include Bachelor of Arts, and Master of Arts in Psychology. The curriculum of these programs is designed to provide students with a strong theoretical foundation along with the practical skills necessary to succeed in their respective fields.

VISION

To be a leading center of excellence in psychology education, research, and practice, committed to advancing our understanding of the human mind and behavior.

MISSION

- 1) To provide high-quality education and training in psychology, fostering critical thinking and research skills among our students.
- 2) To conduct cutting-edge research in various domains of psychology, contributing to the advancement of knowledge in the field.
- 3) To promote the well-being and mental health of individuals and communities through evidence-based psychological interventions.
- 4) To engage with and serve the community by providing expertise, resources, and support in matters related to psychology.
- 5) To uphold ethical standards and diversity, equity, and inclusion in all our endeavors.
